1.6 and 1.7 Evaluation of Board Performance and Senior Executives

The Company does not have a formal process for the evaluation of the performance of the Board and senior executives, and as such does not comply with Recommendation 1.6 and 1.7 of the Corporate Governance Council. The Board is of the opinion that the competitive environment in which the Company operates will effectively provide a measure of the performance of the Directors. In addition, the Chairman assesses the performance of the Board and key executives on an informal basis.

Corporate Governance Council Recommendation 2 **Structure the Board to be effective and add value**

2.1 Board Composition

The relevant provisions in the Constitution and the Corporations Act determine the terms and conditions relating to the appointment and termination of Directors. All Directors, other than the Managing Director, are subject to re-election every three years.

The Board does not have a separate Nomination Committee and as such does not comply with Recommendation 2.1 of the Corporate Governance Council. The Board believes that given the size of the Group and the stage of its development a separate nomination committee is not warranted at this time. Any changes to Directorships will, for the foreseeable future, be considered by the full Board subject to any applicable laws. Identification of potential Board candidates includes consideration of the skills, experience, personal attributes and capability to devote the necessary time and commitment to the role.

Board Processes

An agenda for the meetings has been determined to ensure certain standing information is addressed and other items which are relevant to reporting deadlines and or regular review are scheduled when appropriate. The agenda is regularly reviewed by the Chairman and the Company Secretary.

2.2 The Constitution requires a minimum number of three Directors. The maximum number of Directors is fixed by the Board but may not be more than 9, unless the members of the Company, in general meeting, resolve otherwise. The skills, experience and expertise of all Directors is set out in the Directors' section of the Company's website.

The Board considers, however, that given the size and scope of the Group's operations at present, it is appropriately structured to discharge its duties in a manner that is in the best interests of the Group and its Shareholders from both a long-term strategic and operational perspective. The Board Skills Matrix has not been formalised as at the date of this Corporate Governance Statement.

ABN 80 112 893 491

2.3, 2.4 and 2.5 The Board consists of Mr. Christopher Zielinski, Non-executive Chairman (appointed 10 August 2018), Mr. Patric Glovac, Executive Director (previously non-executive director since 10 August 2018) and Mr. Troy Hayden, non-executive Director (appointed 11 March 2020). Mr Richard Barker, non-executive director resigned 16 June 2023. Two of the three Board members including the Chairman of the Company are considered independent.

The entire Board is considered independent and comply with Recommendation 2.3, 2.4 and 2.5

The Board has not as yet adopted an anti-bribery and corruption policy.

Corporate Governance Council Recommendation 4

Safeguard the Integrity in Corporate Reports

4.1, 4.2 and 4.3 Audit Committee

The Board does not have a separate Audit Committee with a composition as suggested by Recommendations 4.1, 4.2 and 4.3 of the Corporate Governance Council. The full Board carries out the function of an audit committee. The Board believes that the Group is not of a sufficient size to warrant a separate committee and that the full Board is able to meet objectives of the best practice recommendations and discharge its duties in this area. The relevant experience of Board members is detailed in the Directors' section of the Directors' Report. The board receives declarations for CEO & CFO in accordance with S.295A of corporations' act before approving financial statements.

The Company's auditor attends Annual General Meetings.

Financial Reporting

The Board relies on senior executives to monitor the internal controls within the Group. Financial performance is monitored on a regular basis by the Board at the scheduled Board meetings.

ABN 80 112 893 491

Corporate Governance Council Recommendation 5

Make Timely and Balanced Disclosure

5.1, 5.2 and 5.3 Continuous Disclosure

The Board places a high priority on communication with Shareholders and is aware of the obligations it has, under the Corporations Act and ASX Listing Rules, to keep the market fully informed of information which is not generally available, and which may have a material effect on the price or value of the Company's securities.

The Company has adopted policies which establish procedures to ensure that Directors and management are aware of and fulfill their obligations in relation to the timely disclosure of material price sensitive information.

Continuous disclosure is discussed at all regular Board meetings and on an ongoing basis the Board ensures that all activities are reviewed with a view to the necessity for disclosure to security holders.

5.2 Board receives copies of all material market announcements prior to release.

5.3 Substantive or new investor presentations are released on the ASX Platform ahead of any presentations.

Corporate Governance Council Recommendation 6

Respect the Rights of Security Holders

6.1, 6.2, and 6.3 - Communications

The Board fully supports security holder participation at general meetings as well as ensuring that communications with security holders are effective and clear. This has been incorporated into a formal shareholder communication strategy, in accordance with Recommendation 6.1 of the Corporate Governance Council.

In addition to electronic communication via the ASX website, the Company publishes all significant announcements together with all quarterly reports. These documents are available in both hardcopy on request and on the Company website at www.globaloilandgas.com.au

Shareholders are able to pose questions on the audit process and the financial statements directly to the independent auditor who attends the Company's Annual General Meeting for that purpose.

6.2 Investors are able to communicate to the Company via the Company website

6.3 The Company encourages shareholder participation at General and Annual General Meetings. The Company's share registry is responsible for mailing out Notice of Meeting documents directly to shareholders. Shareholders who subscribe to email alerts will additionally receive an email notification of all meetings and ASX announcements.

6.4 All substantive resolutions at a shareholders meeting are decided by poll.

6.5 Shareholders have the opportunity to send electronic communications to the Company and the Company's share registry using the contact details listed on the Company's website.

Corporate Governance Council Recommendation 7

Recognise and Manage Risk

7.1 Risk Management Policy

The Board has adopted a risk management policy that sets out a framework for a system of risk management and internal compliance and control. Due to the small size of the Company the Board takes responsibility for risk management, therefore complying with Recommendation 7.1 of the Corporate Governance Council. The Board is responsible for supervising management's framework of control and accountability systems to enable risk to be assessed and managed.

ABN 80 112 893 491

The Group's risk management strategy is evolving and will be an ongoing process and it is recognised that the level and extent of the strategy will develop with the growth and change in the Group's activities.

7.2 Risk Reporting

As the Board has responsibility for the monitoring of risk management it has not required a formal report regarding the material risks and whether those risks are managed effectively therefore not complying with Recommendation 7.2 of the Corporate Governance Council. The Board believes that the Group is currently effectively communicating its significant and material risks to the Board and its affairs are not of sufficient complexity to justify the implementation of a more formal system for identifying, assessing, monitoring and managing risk in the Company.

7.3 Internal audit function

The entity does not have an internal audit function as the Board does not consider it necessary due to the size of the company. The Board continually assess, evaluate and where necessary improve the effectiveness of its risk management and internal control processes

7.4 Risk.

The Company is not subject to any particular or significant single economic, environmental and social sustainability risk. The Company is subject to a range of general economic risks, including macro-economic risks, government policy, general business conditions, changes in technology and many other factors. The Board does not believe the Company has any material exposure to economic and social sustainability risks at the present time.

Corporate Governance Council Recommendation 8 Remunerate Fairly and Responsibly

8.1 and 8.2 Remuneration Committee

The Board has not created a separate Remuneration Committee and as such does not comply with Recommendation 8.1 of the Corporate Governance Council. The Board considers that the Group is not currently of a size, nor are its affairs of such complexity to justify a separate Remuneration Committee.

Executive Directors, non-executive Director receive fees agreed on an annual basis by the Board and may include performance based components designed to reward and motivate. Further information on Directors remuneration including principles used to determine remuneration is set out in the Directors Report under the heading Remuneration Report found in the company's Annual Report.

The full Board determines all compensation arrangements for Directors. It is also responsible for setting performance criteria, performance monitors, share option schemes, incentive performance schemes, superannuation entitlements, retirement and termination entitlements and professional indemnity and liability insurance cover.

The Board ensures that all matters of remuneration will continue to be in accordance with the Corporations Act requirements.

8.3 Equity based remuneration

The Company currently does not have an equity- based remuneration scheme. This will be implemented when required.

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
